FOOTBALL AND SOCCER PLAYERS RECEIVE AWARDS AT CHRISTMAS DINNER

The annual Christmas Dinner was held on Friday evening, December 16. Following an excellent dinner, the evening program began with Mr. Richard G. King, a former master at Governor Dummer and now Assistant Director of the College Entrance Examination Board, serving as toastmaster. This year's guest speaker was Dr. Robert Russell Wicks, former Dean of the Chapel at Princeton University.

The remainder of the evening program was devoted to sports. The two varsity coaches commented on the football and soccer seasons and announced the award of letters to their respective teams. Coach Howard J. Navins commented that the 1955 soccer team was one of the hardest working teams he has coached in a long time and congratulated the boys on their successful effort to improve as the season progressed.

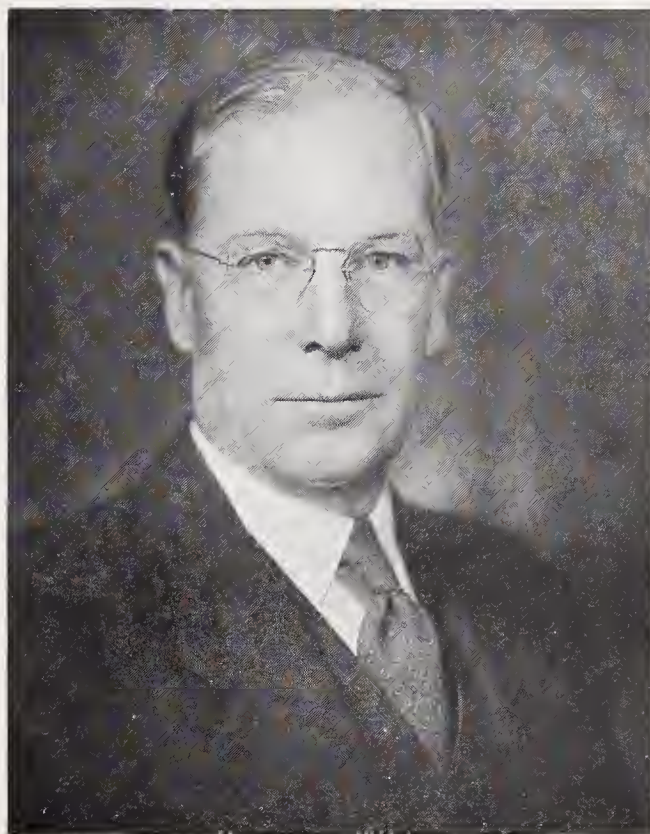

Mr. Frederic B. Withington, pinch-hitting this fall for Mr. Sager as head football coach, spoke of his experiences as first-year head coach and expressed his appreciation to the squad for their enthusiasm and congratulated them for their successful season of 5 wins and 1 loss.

Christmas Carols Close Traditional Program

Following the speeches, varsity letters were awarded, next year's captains announced, and Most Valuable Player Awards presented. Directed by Mr. Sager, everybody sang Christmas carols, thus ending the evening in the traditional way.

Thomas P. Elder of Amherst, captain of this year's soccer team, was named Most Valuable Player; and George W. Starbuck, III of New Bedford was elected captain of next year's soccer team.

Arthur E. Balser of Danvers, right half-back, was named Most Valuable Player on the football team; and Donald B. Kaufman of Natick was elected captain of the 1956 team.

FINE WEATHER, SPORTS VICTORIES FEATURES OF ANNUAL PARENTS' DAY

October 22 was a typical fall day. The sun shone brightly, and a cold, biting wind blew across the Governor Dummer campus as another annual Parents' Day commenced. The parents began to arrive before noon and shortly afterwards were treated to a ham and chicken lunch by Mr. Costello and his able staff.

The athletic events in the afternoon were very successful, as the Governors swept all three games. The varsity soccer team surprised a strong Brooks team by scoring three goals in the last six minutes of the game to overcome a 1-0 deficit. The J.V. soccer team showed that the school does not need to worry about not having a good soccer team

JOINT CONCERT AT WINSOR OPENS GLEE CLUB SEASON

In its first appearance of the year, the Governor Dummer Glee Club joined with the Winsor School Choral Class in a joint concert at the Winsor School in Boston on December 10.

The combined choruses sang selections from Haydn's *Third Mass*, which included the *Sauctus* and *Credo*, *Let All Mortal Flesh Keep Silence*, and *Now Thank We All Our God*.

The Winsor Choral Class, under the direction of Miss Barbara C. Connolly, sang a selection from *Rosemary*, *Oh Let the Merry Bells Ring Round*, and three Christmas carols. The soloist for Winsor was Nancy Gannett.

The Governor Dummer Glee Club, with Richard Bartlett as president, offered as its selections *The Happy Wanderer*, *Evening Pastorale*, *My Bonnie Lassie*, *March to Pretoria*, and *Somebody's Knockin'*.

James Healy and Cyril Fung were the soloists for the Governors, the latter delighting the audience with the Chinese version of *The Happy Wanderer*.

After the concert a very enjoyable dance was held for the members of the two clubs.

1952 FOOTBALL PLAYERS STAR ON COLLEGE TEAMS

Six members of the Governors' undefeated football team of 1952 have appeared this fall in newspaper accounts of college games.

Co-Captain Bob Rex, named by Bill Cunningham as the most under-rated back at Dartmouth, played in every game and has recently been elected captain for 1956. John Hannon, guard, and Don George, tackle, have both been regulars at Colby.

Dick Michelson, center, was a mainstay of the Bowdoin team, and John Edgar was a starting half-back at Maine. John Hall, another end, was a regular at Middlebury.

COLLEGE ADMISSIONS

OFFICERS VISIT SCHOOL

During the fall term the Academy has enjoyed visits from the admissions officers of several colleges. These visits are very helpful both to students already headed for some definite college and to those who have not yet reached a decision.

Among those visiting the school this fall were:

Mr. David D. Henry, Director of Admissions, and Mr. Louis B. McCagg, Assistant to the Admission and Scholarship Committee at Harvard College, on October 10.

Mr. Gordon M. Trim, Director of Admissions at Babson Institute, on October 17.

Mr. Richard C. Howland, Director of Admissions at Dean Junior College, on October 25.

Mr. Warren Elmer, Representative from Princeton University, on November 2.

Mr. John C. Esty, Jr., Assistant Director of Admission at Amherst College, on November 6.

Mr. Emery R. Walker, Jr., Director of Admissions at Brown University, on November 22.

Mr. Donald K. Walker, Assistant Director of Admissions at Yale University, on December 8.

MANY ALUMNI DINNERS

HELD DURING FALL TERM

Attending each of the five alumni dinners this fall term, Mr. Eames, Mr. Witherspoon, and Mr. Sager have brought news of the school to the Trustees and alumni present in the various areas. At all of the dinners old friendships were renewed and new acquaintances made between alumni of differing periods.

On September 29 a dinner was held in Worcester at the Worcester Airport Restaurant. Paul S. Morgan '41 and Courtland J. Cross '44 acted as co-chairmen and played host to seventeen alumni and one Trustee, Mr. Philip M. Morgan.

As chairman and toastmaster, Richard S. Schanzle '37 entertained twenty-four alumni at The Harvard Club of Boston on November 2. As a dinner for alumni of Boston and some of its suburbs, the program was essentially the same. It is interesting to note that of

twenty-four present, seven alumni were students when Dr. Charles S. Ingham was headmaster.

Participating in the dinner held November 15 in Methuen at the Red Tavern, were the alumni of the Lowell, Lawrence, and Haverhill area. Allan B. Rogers '50 was chairman and toastmaster.

At the Williams Club of New York City on November 29, James B. Gardiner, 2d '23, President of the New York Alumni Association, presided. Thirty-two alumni were present, making this the biggest turnout yet. Among those present was Morris P. Frost '35, school Trustee.

On December 7 at the Lafayette Hotel in Portland, Maine, Mr. Eames, Mr. Witherspoon, and Mr. Sager were accompanied by Mr. Navins and Mr. Williams of the faculty. Francis H. Farnum, Jr. '40, President of the Governor Dummer Alumni Association of Maine, presided. Twenty-five alumni were present.

JUNIORS DIRECT BUSY

CAMERA CLUB ACTIVITIES

The Camera Club for this year looks as if it has a great season ahead. Amery Colvin, a junior, has been elected president; Derek Holman, also a junior, has been elected treasurer; and Ronnie Shenker, a sophomore, has been elected secretary. Mr. Douglas Miller is acting as faculty advisor.

The general function of this group is to supply pictures for school publications. It is also a hobby and a pleasant pastime for its members.

For the future big plans are being made. New safety lights have just been bought. Also plans for reorganizing the darkroom are being made, and preparations for the fall photographic contest, open to all students, are being completed.

MORE BRIEFLY

On November 12 Mr. Lispenard B. Phister, a member of the Board of Trustees, gave an address at the Trinity College convocation. Mr. Phister, a member of the Class of 1918 at Trinity, was also honored by his *alma mater* at that time by being given an alumni citation.

SHAD TUBMAN '53 AND
JOHN EDGAR '52 SPEAK
AT FOOTBALL RALLY

"Tomorrow the football and soccer teams climax their seasons at Belmont Hill". There was really no need for the cheerleaders to remind anyone of that fact as they announced a pre-game rally for Friday night, November 12, at 9:30.

After study hall that night the entire student body assembled on the parking lot behind the Alumni Gymnasium. The rally began with some organized cheering, then followed pep talks by Shad Tubman '53 and John Edgar '52. Shad, now the sophomore star of Harvard's team, urged on the soccer team. Edgar, Co-Captain of the Governors' unbeaten football team of '52 and now full-back for the University of Maine, inspired his successors. Mr. Eugene Pulk, former faculty member, recalled some amusing episodes of his coaching career at Governor Dummer and spoke of the keen, friendly rivalry which has long prevailed with Belmont Hill.

Then the bonfire was lit and the traditional dummy went up in flames. Wearing a Belmont Hill uniform, the dummy was carried on the field on a stretcher, followed by the doleful roll of drums. When the noose was placed about his neck and he was hoisted to the gallows, he obligingly burned well.

A conga line formed and circled around the burning effigy until the appearance of vast quantities of cocoa and doughnuts diverted attention to the refreshment tables.

PARENTS' DAY

(Continued from page 3)

in the future, for they whipped the Brooks J.V.'s 5-0. The Pony football team downed Emerson 33-0, and the varsity football team won easily over a young and inexperienced Boston Farm and Trades School team, 26-0.

Three of the athletic events on that day were originally scheduled with Milton, who could not play because of sickness in their area. Mr. Murphy was very fortunate to find other opponents for this crucial day, and the school and the parents were grateful to him and to the Brooks School and the Boston Farm and Trades School for making the games possible.

After the games the boys and parents, along with the visiting athletic teams, were entertained at a tea in the Phillips Building. Both the Cobb Room and the dining hall were used to accommodate the unusually large crowd. Almost the entire faculty and many of the faculty wives were on hand to greet the parents and to talk to them about their sons.

Between six o'clock and six-thirty, the huge crowd filed into the Alumni Gymnasium for a delightful chicken casserole supper which was also prepared by the able Mr. Costello and his staff. When the supper ended, the students, under the direction of Mr. Sager, sang *Hymn of Thanksgiving*, *Aura Lee*, and *Far Above Cayuga's Waters*. The students were then excused to attend the movies in the Lang Gymnasium.

Mr. Eames acted as toastmaster and welcomed the parents. Mr. Sager lived up to his reputation by giving a very interesting talk about his Public Speaking course here at the school. Mr. Mercer spoke on the new Developmental Reading course; and Mr. Eames commented on college admissions. Mr. Marshall B. Dalton, President of the Board of Trustees, closed the program with a brief word of appreciation.

The attendance of over three hundred parents and guests showed that this Parents' Day was one of the most successful ever held at Governor Dummer.

MORE BRIEFLY

Mr. Livingston and Mr. Withington of the faculty represented the Academy at the 50th anniversary celebration of the Kent School, Kent, Connecticut, on November 25, 26, and 27.

* * * *

On Saturday, December 3, seventy boys were guests of the Walnut Hill School at the Senior Class party at Natick.

Mr. A. Macdonald Murphy of the faculty has been elected President of the North Shore Adult Education Foundation. The Foundation offers courses, sponsored by Boston and Harvard Universities, to the people of Newburyport and surrounding communities.

On October 11 Mr. Sager of the faculty spoke on Public Speaking at the Rotary Club in Newburyport.

SENIORS FORM GROUP FOR RELIGIOUS DISCUSSION

Again this year fifteen seniors, known as The Religious Discussion Group, meet Sunday nights at nine-thirty in the old kitchen of the Mansion House for informal discussion of religion, the make-up of the world, and the issues confronting it today.

As moderator, Mr. Frederic B. Withington selects appropriate topics to start with, and others usually develop from the discussion. Everyone has a chance to voice his opinions, and Mr. Withington tries to encourage each member to speak at least once in the course of an evening. Many times during the year the vesper speaker joins the group.

Those in attendance are Rufus Ansley, Arthur Balser, Daniel Bridges, Robert Conklin, Howard Davis, Clark Duncan, Thomas Elder, James Healy, John Henry, Herbert Hodos, King Howe, True Miller, Joel Nichols, McCormick Sheesley, and John Wilson.

NEW EXHIBIT OF PAINTINGS HUNG IN SCHOOL DINING HALL

This fall a new exhibition of twelve paintings was hung on the walls of the school dining room. These paintings have been loaned by the Addison Gallery of American Art of Phillips Academy, Andover.

The exhibition includes Cox's *Basic No. 15*, Cleve Gray's *Man and Northern Lights*, Albinson's *Montana Sheep Ranch*, MacDonald's *Contents of a Pocket*, Hassam's *Avenue of the Allies*, Man Ray's *Ridgefield New Jersey*, Drewes' *Composition 317*, Lee Gatch's *The Flame*, Hallowell's *The Battery Icebound*, Woodbury's *Surf, Narrow Cove*, and Morgan's *Alexis, Pilgrim and Bread*.

The exhibit thus includes a sampling of modern art as well as of more conventional paintings and has aroused very favorable comment.

The current exhibition will remain on display until the Spring Term.

EDITORIAL

Some century and a half ago, Napoleon is alleged to have stated that "an army marches on its stomach". Supposedly he meant by this statement that in order to maintain the vitality and morale of his troops it was necessary to feed them adequately, if not elaborately.

How equally well can this statement be applied to the maintenance of morale among preparatory school students! And how equally important, therefore, the men and women who prepare our daily meals.

Parents' Day, Commencement, and Christmas Dinner are perhaps the Governor Dummer kitchen staff's three greatest achievements. Other accomplishments include Glee Club dinners, refreshments and teas for visiting friends and guests of the school, and the Spring Dance Weekend.

But it is in the regular day-to-day meals, not in the flowery extras, that the school steward and his staff make their biggest contribution to school morale. And here we of Governor Dummer owe a debt of gratitude to Mr. William Costello and his able staff.

The best measure for their success lies, perhaps, in the fact that their contribution

has mostly been taken for granted. By varying the agenda, the kitchen combines nutrition with attractiveness to form a very enjoyable pattern of day-to-day meals.

Not until attention focused on Mr. Herman Kramp, the school's faithful baker, as the result of an automobile accident, did many of us become aware of the personnel of the kitchen staff, nor of their importance and contribution to our welfare.

Therefore, to Mr. Herman Kramp, our best wishes and sincerest hopes for his speedy recovery, and to him and all his colleagues our grateful thanks.

ANTHONY DONALD MILLER IS ENGLISH EXCHANGE STUDENT

The English Exchange student sponsored by the English Speaking Union at Governor Dummer this year is Anthony D. Miller of Bourne End, Buckingham, England. In England Tony attended the Stowe School.

Tony has already proved himself a worthy

successor to Paul Mundy and Dick Butler. He played on the varsity soccer team this fall, is a member of the Glee Club and of the *Archon* staff, and is on the track squad for the winter term.

After graduation next June, Tony plans to learn more of the American way of life by making a tour of the United States. He will then return to England to take his military training before entering the securities business with his father.

PANDEMONIUM REIGNS; PEPPER POTS COOLED

As in years past, the volleyball season had been anxiously awaited by all when Mr. Mercer gave his annual announcement to inaugurate the pushball panic. This year Poohbah decreed "Pots and Pans"; so "Pots and Pans" it was as the school started the season.

The Pot League was composed of eight teams. The Pepper Pots, Pot Wallopers, Steam Pots, and Bean Pots finished first to fourth place respectively in this league. The last four teams were the Flesh Pots, Pot Boilers, Flower Pots, and Pot Shots.

Against this array of pots, Poohbah pitted an evenly balanced league of pans. Finishing first in the Pan League and going on to win the school championship were the Pandemoniums. Following these greats were the Pan Americans, Dish Pans, Pancakes, and Pan Handlers. The last three teams in the Pan League were the Marzipans, Muffin Pans, and Panaceas.

Standouts in both leagues were the sizzling "spikes" of such feared names as Wither-spoon, Withington, and Sperry. With the steady experienced play of many old boys, and the quickly gained skill of the new boys, this was a very interesting and closely played season.

The final game in the Alumni Gymnasium on Thursday, December 8, saw Mr. Williams and his Pepper Pots matched against the Pandemoniums, led by Mr. Sperry. From the start of the first game in a two-of-three game series, the spectators saw volleyball as it should be played. There was excitement as each server prepared his attack, and tension as it was returned with a stinging "spike". Perhaps the excitement and tension were too much for the hard-fighting Pepper Pots, for the determined Pandemoniums were victorious and have now enjoyed their steak dinner.

ON THE ATHLETIC FIELDS

GOVERNORS END FOOTBALL SEASON WITH 5-1 RECORD

After losing their opening game with Groton 6-0, the Governors came back with a 13-0 victory over Moses Brown on October 15 and then went on to win their remaining four games for a 5-1 record.

Before a homecoming and Parents' Day crowd, the Governors defeated the Boston Farm and Trades School team. Dominating the play almost the entire game, the Governors held their opponent for nearly a minus yardage.

Berry Barnes opened the scoring early in the first quarter on a 40-yard touchdown pass from Bud Hadley. Gale French scored one in the third period and added another early in the fourth to make the score 20-0. Late in the fourth period, Bob Linberg, a converted lineman, went over for the final touchdown on a 15-yard run.

Governors Outscore St. Sebastian's and St. Mark's

Governor Dummer took an early lead in the first quarter and never relinquished it, to defeat St. Sebastian's 28-8 on October 29. Jim Sylvester set up the Governors' first score by intercepting a pass on the visitors' 35-yard line. Three plays later Art Balser carried the ball over.

Late in the first period, Vin Sgarzi was tackled in the end zone for a safety, cutting the Governors' lead to five points; but a 45-yard pass play from Hadley to Tyler for a touchdown just before the half gave them a comfortable lead which permitted a wide-open game in the second half.

Early in the third quarter Vin Sgarzi went 50 yards up the middle for a score, and Balser raced 45 yards for his second score. Bill Hallenbeck kicked three extra points for the Governors.

The Governors' defense, led by Steve Bartow and Mike Tyler, again proved strong, holding the visitors to a lone score late in the fourth quarter. Bud Hadley and Chuck Duncan stood out offensively.

The Governor Dummer football team made it four victories in a row on November 5 by defeating St. Mark's 12-0 on a rain-soaked field. A pass from Hadley to Balser resulted in the Governors' first score. Late in the third period Vin Sgarzi added another, scoring from the ten-yard line.

Governors End Season

With Victory Over Belmont Hill

The Governors ended their football season with a 5-1 record by defeating Belmont Hill in a thrilling game, 39-26. The Governors got off to an early lead on an intercepted lateral by Rufus Ansley, who went 60 yards for the first score. The second came on an eighty-yard touchdown pass from Hadley to Sgarzi. Belmont Hill came back with two to tie the score, but late in the second quarter, Wink Pescosolido scored on a pitch from Chuck Duncan to make the score Governor Dummer 19, Belmont Hill 13 at the half.

Belmont Hill again tied the score early in the third period, but from then on it was the Governors' game. After a sustained drive, Pesky carried over from the 11-yard line for his second score. A little later Jim Sylvester took a pass from Hadley and scampered 20 yards for yet another touchdown. Bud Hadley's passing and Wink Pescosolido's running soon brought the Governors within range again, and Gale French carried over from three yards out to end the Governors' scoring.

SOCCKER TEAM IMPROVES IN LATE SEASON GAMES

The varsity soccer team got off to a rather slow start this fall. The squad boasted six returning lettermen but only two starters from last year's eleven. It took a while for the team to get organized, and in the process the Governors dropped four of their first six games.

But team spirit remained high going into the Parents' Day game with Brooks on October 22, and the Governor Dummer squad was able to pull out a victory by scoring three goals to the Brooks one. Two of the Gover-

nors' goals came in the last three minutes of play. The next stop for the Red Eleven was a postponed game with Belmont High. The Governors tallied early in the game, but in the closing minutes Belmont got one to tie it up. An overtime saw no score so the game ended a 1-1 draw.

Governors Bow to St. Mark's and Tabor

On October 26 the Governors met a strong St. Paul's team on Whipple Field. The Governors were outclassed, although they fought hard, and were defeated 2-0.

The Governors then took on the league-leading Tabor club. Tabor boasted a very strong team which showed its power as the game progressed. Their first goal was scored on a penalty shot and their second in the course of normal play. The score stood 2-0 through the remainder of the game. Although they failed to score, the Governors again showed their unquenchable spirit and drive. John Henry played an exceptional defensive game, as did George Starbuck.

The Governor Dummer Eleven played host to the St. Mark's team on November 5. The

final score was 1-0, with the Governors on top. Everyone played well, and the only goal was scored by hard-driving Captain Tom Elder. On the next Tuesday, when Governor Dummer met Medford High, the Governors opened with a quick tally by Rey Moulton. The Medford club came back with two to take the lead. Then, fighting back, the Governors knotted the score at 2-2 on another goal by Moulton. But in the final moments of the fourth quarter the Medford team turned on the steam and went ahead. The final score was Medford 3 and Governor Dummer 2.

The last regularly scheduled soccer game of the season was held on November 12 with the Governors facing the Belmont Hill team. The field was sloppy and the playing conditions poor, but the Governors moved the ball well and went ahead early in the game on a goal by Reaves Strobel. The game continued with neither team scoring, and the final tally was 1-0. The defense of the Governors was exceptionally good in this game. The halfbacks as well as the fullbacks were

League Championship at Stake in Milton Game

The last game of the season was held on November 15 with Milton. It was a contest which had previously been postponed and was played on this late date largely because the championship depended on the outcome. The Governors took the field with a lot of spirit and confidence. The whole school was cheering them on with the help of a big bass drum acquired for the purpose. Inspired by the support behind them, the Governor Dummer eleven tallied quickly and remained ahead until Milton scored on a penalty kick. There was no further change in score until the end of the third quarter, when Tom Elder smashed in what proved to be the winning goal. As a result the Milton team, which had previously been undefeated, lost the league championship to Tabor.

The league season was officially closed on November 16 with the Captains' game. The Captains' game is played every year, and the teams consist of the captain of each league team plus two elected representatives from each team forming one squad to play against the team that finished first in the league. This year it was the All-Stars against Tabor. The Governors were represented by Captain Tom Elder, Rey Moulton, and George Starbuck. The Tabor team won the game 5-1.

C SQUAD FAILS TO WIN

IN SIX-GAME SCHEDULE

The C squad football team ended the season with a record of no wins and six defeats. Nevertheless, the team showed signs of good spirit and potential throughout the season while facing opponents who were obviously more experienced. The irregular six-game schedule did not seem to favor the Governors, for even after many practice sessions stressing previous weaknesses, they continued to lose games.

The first game with the Haverhill J.V.'s was a 36-0 setback for the C squad. The ground defense was quite strong with Co-Captains John Richards and Hunt Blatchford doing fine jobs, although it was found that

pass defense was very weak. In the next game on October 19, the C squad was defeated 26-0 by a strong Andover team despite several successful passing attempts by Joe Berry to left end Chick Carroll.

The most impressive part of the season came when the C squad played Newburyport on October 26. The line was exceptionally strong, opening potential opportunities for scoring. David Van Woert snagged a long pass for the Governors' first score of the season. Unfortunately, Newburyport came back to win 12-7. The remaining three games were played within a week's time, and the team's efforts proved to be futile. Haverhill again scourged the C squad 38-0 on November 9. The C squad then faced Belmont Hill and lost out by a 26-14 score. In this game a terrific display of ball-carrying was turned in by halfback Hank Laurelli, as well as a good all-round performance by Dick Ananian. Dependable tackle Steve Houghton also played a good game. Dick Ananian and David Van Woert both scored touchdowns. The last game was with Danvers J.V.'s on November 14 and the C squad was defeated 13-0.

PONY FOOTBALL TEAM

WINS FOUR OUT OF SIX

The Pony football team finished its schedule with four wins and two losses. After dropping the first two games to Brooks, 33-0 and 18-6, the Ponies came back strong to win the last four.

Before a large Parents' Day crowd the Ponies defeated the Emerson team 33-0 on October 22. The Governors then met the Ipswich Freshmen on muddy Morse Field on October 26. After playing a sloppy first half, the Governors came back to dominate the ball game and defeat the Ipswich eleven 6-0. In this game Co-Captain Lonnie Churchill was outstanding, making gain after gain on end sweeps and line plays, keeping the offense going steadily down the field. The touchdown was scored by Eddie Johnsen, who plunged across the goal line from the seven-yard line.

On November 3 the Ponies grappled the Salisbury eleven at home. At the end of the first quarter the score stood Governor Dummer 27, Salisbury 0, but the Salisbury eleven scored in the final quarter against the Pony second team. In the final game of the

J.V. SOCCER TEAM COMES BACK TO WIN SIX STRAIGHT

After losing their first two games to Roxbury Latin and Andover, the J.V.'s improved considerably and broke into the win column on October 19 by beating Belmont High 1-1. The game was played on a muddy field, but the Governors controlled the ball in every period. The improvement of the team offensively was evident.

Whipple Field was the site of the Governors' next game, with the Brooks varsity seconds on Parents' Day. As is usual on Parents' Day, spirit and keen play were at a premium, and the Red team encountered no difficulty in stopping Brooks 5-0. Peter Metcalf, Hardy Bedford, True Miller, and Tim Philbrook accounted for all of the scoring.

Governors at their Best Against Tabor and St. Paul's

The team played its best game to date on October 26, shutting out a strong St. Paul's team 2-0. Bill George was outstanding in the goal, making many fine saves.

A Tabor eleven faced the Governors in their next contest on October 29. Jack Williams, Dave Cushman, and True Miller scored in the second half for the J.V.'s. Tabor had gained a one-goal lead in the opening period but relinquished it in the third period. The Governors' line played together efficiently, coming from behind to score three goals.

Governors Win in Overtime

The Governors played their best game of the season against Medford High on November 2. They won 4-2, but the score tells little of the actual game. Jack Williams and True Miller scored in the first and third periods, but Medford also tallied twice in this period. The game proceeded into overtime, and Williams and Cushman scored to win the game for the Governors. The renewed effort in overtime and the outstanding performance of the second team contributed much to the win.

The J.V.'s ended their season by winning their sixth straight game, against Belmont Hill, on November 12. The final score was 1-0 as the teams left for the locker rooms.

The record of six wins and two losses and the fact that the J.V.'s scored twenty-three goals but allowed their opponents only eight is, indeed, commendable.

PONY SOCCER TEAM GAINS FAME WITH FIRST VICTORY

On October 11 the Pony soccer team gained fame when it became the first athletic team of the new school year to score a victory for the Governors. The victory was over a Belmont Hill team and the final score was 1-0. The game was played on home ground and the Ponies, led by Captain Pete Vermilya at center half-back, and sparked in the line by Harv Hayden, played a fine game, although they had to combat both a strong opposing team and a continual rain which handicapped both teams somewhat. The only goal scored throughout the whole game was smashed across by Pete Kalat, who played out the season at left inside.

On October 19 the Pony team met Brooks School at North Andover for their second game. Both teams played well but Brooks finally edged out the Ponies, with two well-placed goals to win the game 2-0.

On November 9 the Pony team played its last game of the season. The game was again with Brooks, only this time it was played at home, and the Ponies, having taken one defeat from Brooks, were eager for a comeback. The whole team played well and showed a great deal of fight and spirit, but once again the Ponies went down under the Brooks team with the final score 3-0.

LIGHTNING FOOTBALL

TEAM WINS LAST TWO

The Lightning football team made a slow start but found its strength during the season and ended with a .500 record.

After losing their first game to Haverhill 13-0 and tying their second with Ipswich 13-13, the Lightnings dropped their third on October 24, 6-0, when Amesbury scored on a 60-yard pass in the second play of the game. Thereafter the Governors more than held their own but were unable to score.

The Lightning team began to show its power in the fourth game, a return match with Haverhill on November 9, and emerged with a 13-0 victory. Mike Dunsford broke loose for a 40-yard run to score the first touchdown. Dick Croll snagged a long pass for the second. Bill Johnson intercepted a Haverhill pass to halt the visitors' greatest threat; and Bill Hunt and Tad Akin broke through the Haverhill line repeatedly to halt other drives.

The final game was a postponed match with the Newburyport Freshmen. Three plays after Charlie Langmaid had kicked off into the end zone, the Governors pushed the visitors into the end zone for a safety. Dick Field took a flare-pass from Randy Light on the first play after the next kick-off and went all the way to the five-yard stripe, and Tony Bourn went off tackle for the touchdown. Long passes to Charlie Reed and Fred Sayles netted the Governors another touchdown early in the third period and a 16-0 victory.

season on November 19 at Emerson, the Governors defeated the Emerson team 33-7. In this game Kent Dumont played an outstanding role, scoring two touchdowns, one on a pass interception and one on a punt return.

Spearheading the line all year were Joe Montgomery, Kent Dumont, Mike MacLean, who made the longest run of the season of 83 yards, John Schabacker, and Ferguson Jansen, who all played outstanding roles in offense and defense throughout. Running the ball were Eddie Johnsen at quarter-back, Lonnie Churchill at left half-back, Dick Pratt at right half-back, and Kim Kimball at full-back.
